### Space for Exhibition

The exhibition is expected to showcase industrial products, machinery, developments and services in the fields of medical devices, pharmaceuticals, biomaterials science and technology. This will be a unique opportunity to network with more than 300 professionals and academicians in the field from various Institutions and Organizations across India. Stalls will be issued on a first-come first-served basis. Stall size will depend on the space available in the Conference venue. Stalls will be provided one table, one chair and a power supply. The exhibitor is offered one complimentary registration and a complimentary listing in the souvenir.

### Souvenir and Advertisements

A commemorative souvenir will be brought out on the occasion. The souvenir will be made available to all the registered delegates, invitees, and exhibitors and will be dispatched to all national institutes and libraries. It will be a good opportunity for organizations and industries to advertise their products and services in the souvenir, which will be read and preserved by the participating delegates. In addition to advertisements, the souvenir will host sponsored features on industries subject to editorial review.
